Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to Refuse to grant an Aquaculture Licence to Sliogeisc Siar Teoranta for the cultivation of Native and Pacific Oysters using bags and trestles, floats and bags, moulded baskets and longlines at Site T08/115A ("the Site") on the foreshore at Auginish Peninsula, Co. Clare.

To Whom it may concern

We draw your attention to an error in the reference to the total hectareage of the Site in the above Aquaculture Licence dated 26 January 2023. Condition 1.1 and Schedule 1 of the Licence state that the Site Area is 12.6 hectares. This is incorrect and should read **10.6 hectares**. This error in no way affects the Licence or the determination as arrived at by the Aquaculture Licences Appeals Board in the above matter. The coordinates for the site and the mapped area as specified in the Licence are correct, and the licensed area within which the aquaculture activities can be carried out is specified in the Licence by reference to the map attached at Schedule 1 and the area outlined in red.
