**Re: Appeals against the decision of the Minister for Agriculture, Food and the
Marine to grant Aquaculture licences in November 2019, for the cultivation of
Pacific Oysters using bags and trestles and for the cultivation of Clams at the above
sites in Ballyness Bay, County Donegal**

Dear Ms. Bocquel,

We refer to the above Appeals received by the Aquaculture Licence Appeals Board ("the Board") and we enclose, for your information only, a sample copy of the '**Notice that Further Information is required pursuant to Regulation 42(3) of the Habitats Regulations**' issued to each of the applicants for aquaculture licences for the above sites on 4 August 2023. Copies of the notices can be found on the ALAB website at:

<https://alab.ie/activeappeals/appealsyearsreceived/appealsreceivedin2020/ap32020/#d.en.186752>

Please note that the notice is supplied for information only and no submission or observation in relation to these matters is required.

Yours sincerely,
