Re: Appeal against the decision of the Minister for Agriculture, Food and the Marine to grant an Aquaculture Licence to Ballyteigue Oysters Ltd to cultivate pacific oysters using bags and trestles on the intertidal foreshore on site T03/038A at Ballyteigue Burrow in Ballyteigue Bay, Co Wexford

Dear Ms McGoff,

I refer to my letter of 30 May 2023 in which the Aquaculture Licences Appeals Board indicated that it anticipated this Appeal would be determined by 31 December 2023.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 23 November 2023 and has formed the view it will not be in a position to determine this Appeal within that timeframe due to the ongoing collation of technical advice.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 30 April 2024.

Yours sincerely

Margaret Carton
Secretary to the Board
