Re: Appeals against the decisions of the Minister for Agriculture, Food and the Marine to grant Aquaculture Licences for authorisation at the above-mentioned sites on the inter-tidal/sub-tidal foreshore in Ballyness Bay, County Donegal

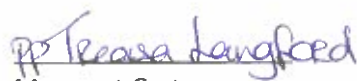

Dear Dr McGoff,

I refer to the previous time extension letter of 17 August 2023 in which the Board indicated it anticipated this Appeal would be determined by 30 April 2024.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 11 April 2024 and has formed the view it will not be in a position to determine this Appeal within that timeframe, due to the complexity of the matters which require to be determined as part of this appeal.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act of its intention to determine the Appeal by 31 May 2024.

Yours sincerely
