**Re: Appeal against the decision by the Minister for Agriculture, Food and the Marine to grant an Aquaculture and Foreshore Licence to Joseph Coll to cultivate Pacific Oysters using bags and trestles on the foreshore on site ref T12/502A in Ballyness Bay, Co. Donegal.**

Dear Mr Connaghan,

I refer to my letter of 25 March 2020 in which the Board indicated it anticipated this Appeal would be determined by 31 December 2020.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 5 November 2020 and has formed the view it will not be in position to determine this Appeal by 31 December 2020, due to the complexity of the matters which require to be determined as part of this appeal and the volume of appeals on hand.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 30 June 2021.

Yours sincerely
