Re: Appeal against the decision by the Minister for Agriculture, Food and the Marine to grant (with variations) an Aquaculture Licence to T.L Mussels Ltd., on site ref: T03/30E for the bottom cultivation of mussels on a site on the foreshore at Wexford Harbour, Co. Wexford

Dear Ms Duggan,

I refer to my letter of 10 November 2020 in which the Board indicated it anticipated this Appeal would be determined by 30 June 2021.

The Aquaculture Licences Appeals Board again reviewed this timescale for the determination of this Appeal at its meeting on 29 April 2021 and has formed the view it will not be in position to determine this Appeal by 30 June 2021, due to the complexity of the matters which require to be determined as part of this appeal, also due to the necessity of the Board to obtain Technical Advice, time delays as a result of the ongoing judicial review and the volume of appeals on hand.

In light of this, the Board hereby gives notice, as provided for in Section 56(3) of the Act, of its intention to determine the Appeal by 30 June 2022.

Yours sincerely

Mary O'Hara
Secretary to the Board
