ANNUAL REPORT AND ACCOUNTS 2021

To the Minister for Agriculture, Food, and the Marine

In accordance with the Fisheries (Amendment) Act 1997, the Aquaculture Licences Appeals Board (ALAB) herewith presents its twenty-third Annual Report and Accounts for the year ending 31st December 2021.

Imelda Reynolds

Chairperson

12 May 2022

INTRODUCTION BY CHAIRPERSON

I am pleased to present the Annual Report of the Aquaculture Licences Appeals Board (ALAB) for the year 2021.

The Board continued to operate in an efficient manner throughout the year, fulfilling its function to provide an independent authority for the determination of appeals on aquaculture licence applications made to the Minister for Agriculture, Food, and the Marine ("the Minister"). The Board made a total of seventy-seven determinations over the course of the year. A comprehensive and detailed account of the activities of the Board is included in this Report.

ALAB implements its powers as prescribed by the Fisheries (Amendment) Act, 1997 (as amended) ("the 1997 Act") when determining appeals. However, there are also other legislative requirements which add to the complexity of the appeal process. In particular, ALAB has to have regard to obligations arising out of a number of EU Directives including those relating to Environmental Impact Assessment, Habitats, Birds, Public Access to Environmental Information and others. Ensuring adherence to these legislative obligations, and the national and European case law that guides their implementation, has increased the complexity of the determination process. It has also extended the average time required by ALAB to determine appeals. Section 56(2)(a) of the 1997 Act states that the Board should endeavour to ensure that every appeal is determined within a period of four (4) months of receipt (approximately 122 days). Section 56(3) of the 1997 Act entitles the Board to extend the time for determination because of the particular circumstances of an appeal.

The significant increase in the number of appeals received by ALAB during 2018, 2019, 2020 and 2021 arose as a result of the Minister's commitment to clear the backlog in relation to aquaculture licence applications by the end of 2019. This resulted in fifty (50) appeals being received by the Board in 2018, thirty-four (34) of which were received from October 2018. Sixty-nine (69) appeals were received in 2019, with sixty-five (65) of these received from late October 2019. There were twenty-seven (27) appeals received in 2020 and ten (10) received in 2021.

The Board acknowledges the increase in time for determination of appeals on hand, which has occurred despite their best efforts. As of the end of 2021 there were sixty-six (66) appeals on hand. The availability to the Board since October 2020 of a dedicated technical advisor has significantly improved the efficiency of the Board's determinations. However, additional dedicated technical advisors may be required due to the ongoing volume of appeals and the Board is keeping this under review.

Ultimately, ALAB is a component in the wider aquaculture licencing process. The Board notes that the Report of the Independent Aquaculture Licensing Review Group, May 2017, made a number of recommendations which were designed to both improve the quality and clarity of applications and to facilitate a timely decision-making process. The Board endorses further progress in the implementation of the Review on the basis that the sign of a healthy licencing system is one that generates fewer appeals.

I would like to take this opportunity to acknowledge the contributions of the ALAB Board members, ALAB staff and all external service providers to ALAB, who were instrumental in assisting and supporting ALAB in delivering its statutory responsibilities during 2021. As an organisation ALAB is managing a great deal of change while also striving to maintain and uphold its good performance. There has been a significant contribution in particular by the ALAB Secretary and her staff, and I thank them all for their hard work, continued support, and professionalism during 2021.

I would particularly like to acknowledge the real commitment of the ALAB Board members to the values of independence, integrity, professionalism, and fairness. It has been a great pleasure to work with you during 2021.

I would also like to express appreciation to the officials from the Department of Agriculture Food and the Marine and to all other State Bodies with which ALAB interacts for their support and assistance during the year. I look forward to continuing to work with the ALAB staff and Board Members as we continue the important work of ALAB in the coming years.

Under Sections 43 and 44 of the 1997 Act, the Board must send a copy of the notice of appeal to the Minister and to each other party to the appeal.

Under Section 46 of the 1997 Act, the Board can request submissions or observations from parties or other persons who have already made submissions or observations to the Board in relation to an appeal, if, in the opinion of the Board and in the circumstances, it is in the interests of justice to do so.

LEGAL PROCEEDINGS

In accordance with Section 73 of the 1997 Act, a person can apply for judicial review of a determination of the Board by way of an application for judicial review, provided it is made within the period of three months commencing on the date on which the determination was made.

During 2019, Lough Swilly Wild Oyster Society Limited issued proceedings against the Minister and against the Board under Record No: 277/2019JR, seeking certain reliefs and orders against both the Minister and the Board. The Board has filed a Statement of Opposition to the Application and a decision is awaited.

During 2019 Silver King Seafoods Limited made an application to the High Court seeking leave to apply for judicial review to challenge the determination of the Minister that it had breached a condition of Aquaculture Licence register reference T06/202 and discontinuing the company's statutory entitlement to continue aquaculture operations for the culture of salmon in cages at a site east of Deenish Island in a Ballinskelligs Bay, Co. Kerry, pursuant to Section 19 a (4) of the 1997 Act. The Court granted Silver King Seafoods the leave sought which included an Order granting a stay on ALAB considering and determining their appeal to ALAB pending the final determination of the proceedings. The stay was subsequently lifted, and the matter is adjourned generally pending ALAB's determination of Appeal AP1/2019.

During 2020 TL Mussels Ltd. issued proceedings against an Bord Pleanala under record 477/2020 where ALAB was named as a Notice Party. The case was transferred to the Commercial Court on the 15th of December 2020. The case was settled and an Order striking out the proceedings issued on 6 July 2021.

During 2021 Inland Fisheries Ireland, Peter Sweetman and others, and Salmon Watch Ireland CLG sought leave to apply for judicial review to challenge the determination of the Board in Appeals AP2/1-14/2015, Shot Head Co Cork. These cases have been admitted to the Commercial Court and Court hearings are pending.

The Board is obliged to and keeps itself informed of the policies of certain bodies whose functions have a bearing on its work. These include other Government departments and State Agencies.

CORPORATE GOVERNANCE

Corporate Governance in ALAB is designed to follow the requirements of the 2016 Code of Practice for the Governance of State Bodies, (the Code) to the extent appropriate, given the small size of the body. ALAB is committed to reviewing its governance policies and procedures on an on-going basis to ensure continued compliance with best practice in this area.

In this context, as required by the Code, the following are confirmed:

1. No commercially significant developments affected ALAB in the period 1 January 2021 to 31 December 2021, nor is the Board aware of any major issues likely to arise in the short to medium term.
2. There are no off-balance sheet financial transactions that are not disclosed in the annual report and financial statements of ALAB.

3. All appropriate procedures for financial reporting, internal audit, travel, procurement, and asset disposals are being carried out.
4. Codes of Conduct for the Board and employees have been put in place and adhered to.
5. As all staff of ALAB are seconded to it by the Department of Agriculture, Food and the Marine, and Government policy on the pay of CEOs and all State body employees is being complied with.
6. Government guidelines on the payment of Board members' fees are being complied with.
7. No significant post balance sheet events have occurred.
8. The appropriate requirements of the Department of Public Expenditure and Reform Public Spending Code are being complied with.
9. Procedures are in place for the making of protected disclosures in accordance with section 21(1) of the Protected Disclosures Act 2014 and the annual report required under section 22(1) of the Act has been published.
10. Government travel policy requirements are being complied with in all respects.
11. ALAB has complied with its obligations under tax law.
12. There are no legal disputes involving other State bodies save for the judicial review proceedings being taken by Inland Fisheries Ireland against the Board's determination in Appeals AP2/1-14/2015, Shot head Co. Cork.
13. The Code has been adopted and ALAB is in compliance with the Code to the extent appropriate given the size and scale of the Board; and
14. ALAB does not have any subsidiaries.

IRISH LANGUAGE COMMITMENT

ALAB is committed to implementing the relevant parts of the Official Languages Act 2003. Signage and stationery are currently in both Irish and English.

CODE OF ETHICS AND BUSINESS CONDUCT

The Code of Practice for the Governance of State Bodies requires a written code of conduct for Board members and employees. A Code of Ethics and Business Conduct is in place for all the members of the Board and is posted on the website at www.alab.ie

In addition, members and certain staff are subject to the requirements of the Ethics in Public Office Acts, 1995 and 2001, and yearly statements of registrable interests are made under the Acts.

Board members and certain staff are also required to make declarations/disclosures of interests in accordance with Section 33 of the 1997 Act.

PUBLIC SECTOR EQUALITY AND HUMAN RIGHTS DUTY

Section 42 of the Irish Human Rights and Equality Commission Act 2014 imposes a statutory obligation on public bodies in performing their functions to have regard to the need to:

1. Eliminate discrimination
2. Promote equality of opportunity and treatment for staff and persons to whom it provides services and
3. Protect the human rights of staff and service users.

The Board endeavours to facilitate access to our services for all members of the public in as far as it is reasonable and practicable.

GENDER BALANCE IN THE BOARD MEMBERSHIP

As of 31 December, the Board had 1 (14.29%) female and 6 (85.71%) male members, with 0 positions vacant.

The Board therefore does not meet the Government target of a minimum of 40% representation of each gender in the membership of State Boards. ALAB has no role in relation to the Board appointments other than indicating to the Minister that ALAB does not fulfil the gender balance target.

Board members are appointed by the Minister in accordance with the Act, seeking nominations from the specified organisations.

BOARD PERFORMANCE REVIEW

Monitoring of effective corporate governance by the Board includes continuous review of the internal structure of the State body to ensure that there are clear lines of accountability for management throughout the organisation. In addition to requiring the monitoring and disclosure of corporate governance practices on a regular basis, the Board undertook an external assessment evaluation of its own performance and that of its committees in 2020, in compliance with the Code of Practice for the Governance of State Bodies.

DIVERSITY

The Board recognises the value of differences in its members (e.g., personality, learning styles, and life experiences) and group/social differences (e.g., ethnicity, social class, gender, sexual orientation, disability, membership of the Traveller community, family status, cultural, political, religious, or other affiliations) to improve the quality of work and decision making on the Board

DATA PROTECTION AND GDPR

Data Protection legislation is in place to protect the natural person with regard to the processing of personal data.

WEBSITE

ALAB maintains an active website at www.alab.ie. The existing website is currently being reviewed in order to simplify navigation and identify areas where more information could be made available to improve services to the public.

PROMPT PAYMENTS

ALAB comes within the scope of the Prompt Payment of Accounts Act 1997, as amended by the European Communities (Late Payment in Commercial Transactions) Regulations 2002.

It is ALAB's policy to comply with the relevant provisions of the Act and, in particular, to ensure that all invoices are paid promptly. Prompt Payment Returns are posted on the website at www.alab.ie

GREEN GOVERNMENT INITIATIVE

Following the Government's introduction of the Green Government Initiative to facilitate Departments and public bodies to lead the way in reducing the use of single use plastics and to improve and increase recycling, ALAB produced 'Our Environmental Sustainability Policy'.

This policy aims to reduce the impact of ALAB's operations on the environment, through its 'Green Agenda' initiative. No single-use plastics are in use and glassware is in use throughout the office. The Board had previously adopted the use of a paperless data management system which effectively reduces costs by eliminating the use of large amounts of paper, ink, and electricity.

FREEDOM OF INFORMATION (FOI) AND ACCESS to INFORMATION on the ENVIRONMENT (AIE)

The Freedom of Information Act and Access to Information on the Environment Regulations provide for access to certain information on ALAB's operations. Disclosure Logs are available on the ALAB website.

Two FOI requests were received in 2021.

In accordance with DPER Circular 25/2016 ALAB has arrangements in place to provide information to members of the Oireachtas on request. In 2021 fifteen queries were received from members of the Oireachtas. A substantive reply to each query issued within the 10 workings days response time.

PLAIN ENGLISH PROJECT

As an organisation who engages regularly with the public, ALAB recognises the importance of presenting information clearly and concisely.

The Secretary and ALAB staff continue to build their knowledge and experience in Plain English. ALAB continues to revise general information and guidance to comply with Plain English standards, where possible.

EVENTS AFTER THE REPORTING DATE

The global COVID-19 pandemic continues to disrupt normal business operations. The office of ALAB remains closed to the public with staff adopting a hybrid model combining attendance at the Office with home working. However, the office is available to respond to all communications received by email or phone during normal hours of business and attendance at the office by the Public can be facilitated by appointment. As of October 2021, the Board adopted a blended approach to its meetings, holding one in-person meeting each quarter while continuing to avail of the efficiencies afforded by virtual meetings.

The Board has factored the Covid-19 pandemic into its overall risk management processes.

ALAB is satisfied that it can continue to discharge its statutory functions.

Governance Statement and Board Members' Report

Governance

The Aquaculture Licences Appeals Board was established on 17 June 1998 under Section 22 of the Fisheries (Amendment) Act, 1997. The function of the Board is to provide an independent authority for the determination of appeals against decisions of the Minister for Agriculture, Food and the Marine on aquaculture licence applications.

Board Responsibilities

The work and responsibilities of the Board are set out in Sections 40 to 60 of the Fisheries (Amendment) Act, 1997. Standing items considered by the Board include:

- Declaration of interests
- Reports from committees
- Financial reports/management accounts, and
- Appeals in progress

Section 37 (1) of the Fisheries (Amendment) Act, 1997 requires the Aquaculture Licences Appeals Board to keep, in such form as may be approved by the Minister for Agriculture, Food and the Marine with consent of the Minister for Public Expenditure and Reform, all proper and usual accounts of money received and expended by it.

In preparation of those statements the Board is required to:

- Select suitable accounting policies and apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- State whether the financial statements have been prepared in accordance with applicable accounting standards,
- Prepare the financial statements on the going concern basis.

The Board is responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Board and which enable it to ensure that the financial statements comply with Section 37 (1) of the Fisheries (Amendment) Act, 1997. The Board is also responsible for safeguarding the assets of the Board and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board considers that the financial statements of Aquaculture Licences Appeals Board give a true and fair view of the financial performance and the financial position of the Aquaculture Licences Appeals Board at 31 December 2021.

The role of the Audit and Risk Committee (ARC) is to support the Board in relation to its responsibilities for oversight of issues concerning risk, control and governance. The ARC is independent from the financial management of the organisation. In particular the Committee ensures that the internal control systems including audit activities are monitored actively and independently. The ARC reports to the Board after each meeting.

The members of the Audit and Risk Committee are: Mr Michael Sweeney (Chairperson), Mr John Evans and Mr Bill Sweeney. There were 4 meetings of the ARC in 2021.

Statement of Compliance

The Board has adopted the Code of Practice for the Governance of State Bodies (2016) ("the Code") and has put procedures in place to ensure compliance with the Code. Aquaculture Licences Appeals Board was in full compliance with those provisions of the Code which apply it save for the following:

- The provisions of the Code concerning appointment, number, grading and conditions of all staff, including remuneration and superannuation do not apply to ALAB as all its staff are seconded from the Department of Agriculture, Food and the Marine ("DAFM").
- Given the size and scale of ALAB and the fact it is constituted solely to determine appeals pursuant to the Act, the Board is of the view that a formal strategic plan is not required. ALAB has agreed an OPA for the period 2021 - 2023 and this is currently in the process of being executed by both parties. This agreement has incorporated matters which might ordinarily be comprised in a strategic plan.
- ALAB does not have a Chief Risk Officer. Given the size and scale of ALAB's operation the Board has formed the view that risk can be managed between the Secretary, the Audit and Risk Committee and the Board itself.
- ALAB has contracted with an internal auditor to carry out this function. The Board does engage external expertise periodically where appropriate and in particular to undertake an annual review of internal controls.
- ALAB does not have a formal Corporate Procedure Plan. Given the size and scale of ALAB the Board has formed the view that such a plan is not required.
- ALAB does not have a Customer Charter. Given the nature of ALAB, the Board has formed the view that such a Charter is not appropriate.

Statement on System of Internal Control

Scope of Responsibility

On behalf of Aquaculture Licences Appeals Board, we acknowledge our responsibility for ensuring that an effective system of Internal Control is maintained and operated in the organisation. This responsibility takes account of the requirements of the Code of Practice for the Governance of State Bodies (2016).

Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a tolerable level rather than to eliminate it. The system can therefore only provide reasonable, and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or detected in a timely way.

The system of internal control, which accords with guidance issued by the Department of Public Expenditure and Reform has been in place in Aquaculture Licences Appeals Board for the year ended 31 December 2021 and up to the date of approval of the financial statements.

Capacity to Handle Risk

Aquaculture Licences Appeals Board has an Audit and Risk Committee (ARC) comprising of three Board members. The ARC met 4 times in 2021.

Risk and Control Framework

Aquaculture Licences Appeals Board has implemented a risk management system which identifies and reports key risks and the management actions being taken to address and, to the extent possible, to mitigate those risks.

A risk register is in place which identifies the key risks facing Aquaculture Licences Appeals Board and these have been identified, evaluated and graded according to their significance. The register is reviewed and updated by the ARC on a quarterly basis. The outcome of these assessments is used to plan and allocate resources to ensure risks are managed to an acceptable level.

The risk register details the controls and actions needed to mitigate risks and responsibility for operation of controls assigned to specific staff. We confirm that a control environment containing the following elements is in place:

- Procedures for all key business processes have been documented,
- Financial responsibilities have been assigned at management level with corresponding accountability,
- There is an appropriate budgeting system with an annual budget which is kept under review by senior management, and by the Board,
- There are systems aimed at ensuring the security of the information and communication technology systems, and
- There are systems in place to safeguard the assets

Ongoing Monitoring and Review

Formal procedures have been established for monitoring control processes and control deficiencies are communicated to those responsible for taking corrective action and to the Board, where relevant, in a timely way. We confirm that the following ongoing monitoring systems are in place:

- Key risks and related controls have been identified and processes have been put in place to monitor the operation of those key controls and report any identified deficiencies.
- Reporting arrangements have been established at all levels where responsibility for financial management has been assigned, and
- There are regular reviews by the Board of periodic and annual performance and financial reports which indicate performance against budgets/forecasts.

Procurement

We can confirm that Aquaculture Licences Appeals Board has procedures in place to ensure compliance with current procurement rules and guidelines and that during 2021 Aquaculture Licences Appeals Board complied with those procedures.

Review of Effectiveness

We confirm that Aquaculture Licences Appeals Board has procedures in place to monitor the effectiveness of its risk management and control procedures. Aquaculture Licences Appeals Board's monitoring and review of the effectiveness of the system of internal financial control is informed by the work of external sourced internal and external auditors, the Audit and Risk Committee which oversees their work, and the Board of Aquaculture Licences Appeals Board who are responsible for the development and maintenance of the internal financial control framework.

Aquaculture Licences Appeals Board

Opinion on the financial statements

I have audited the financial statements of the Aquaculture Licences Appeals Board for the year ended 31 December 2021 as required under the provisions of section 37 of the Fisheries (Amendment) Act 1997. The financial statements comprise

- the statement of income and expenditure and retained revenue reserves
- the statement of financial position
- the statement of cash flows, and
- the related notes, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the assets, liabilities and financial position of the Aquaculture Licences Appeals Board at 31 December 2021 and of its income and expenditure for 2021 in accordance with Financial Reporting Standard (FRS) 102 — *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*.

Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of the Aquaculture Licences Appeals Board and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on information other than the financial statements, and on other matters

The Aquaculture Licences Appeals Board has presented certain other information together with the financial statements. This comprises the governance statement and Board members' report, and the statement on internal control. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

I have nothing to report in that regard.

Report of the Comptroller and Auditor General

Appendix to the report

Responsibilities of Board members

As detailed in the governance statement and Board members' report, the Board members are responsible for

- the preparation of annual financial statements in the form prescribed under section 37 of the Fisheries (Amendment) Act 1997
- ensuring that the financial statements give a true and fair view in accordance with FRS102
- ensuring the regularity of transactions
- assessing whether the use of the going concern basis of accounting is appropriate, and
- such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the Comptroller and Auditor General

I am required under section 37 of the Fisheries (Amendment) Act 1997 to audit the financial statements of the Aquaculture Licences Appeals Board and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.

- I conclude on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, on whether a material uncertainty exists related to events or conditions that may cast significant doubt on Aquaculture Licences Appeals Board's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my report. However, future events or conditions may cause the Aquaculture Licences Appeals Board to cease to continue as a going concern.
- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records.

Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if I identify material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if I identify any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

AIRE TALMHAÍOCHTA, BIA AGUS MARA

TUARASCÁIL BHLIANTÚIL AGUS CUNTAIS 2021

Don Aire Talmhaíochta, Bia agus Mara

De réir an Achta Iascaigh (Leasú) 1997, cuireann an Bord Achomhairc um Cheadúnais Dobharshaothraithe (ALAB) a thríú Tuarascáil Bhliantúil agus Cuntais is fiche i láthair leis seo don bhliain dar críoch an 31 Nollaig 2021.

Imelda Reynolds Uasal

Cathaoirleach

12 Bealtaine 2022

RÉAMHRÁ ÓN gCATHAOIRLEACH

Tá áthas orm Tuarascáil Bhliantúil an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe (ALAB) a chur i láthair don bhliain 2021.

Lean an Bord air ag feidhmiú ar bhealach éifeachtúil i rith na bliana, ag comhlíonadh a fheidhme chun údarás neamhspleách a chur ar fáil chun achomhairc ar iarratais ar cheadúnais dobharshaothraithe a rinneadh chuig an Aire Talmhaíochta, Bia agus Mara ("an tAire") a chinneadh. Rinne an Bord seacht gcinneadh is seachtó san iomlán i gcaitheamh na bliana. Tá cuntas cuimsitheach mionsonraithe ar ghníomhaíochtaí an Bhoird san áireamh sa Tuarascáil seo.

Cuireann ALAB a chumhactaí i bhfeidhm de réir mar a phorordaítear san Acht Iascaigh (Leasú), 1997 (arna leasú) ("Acht 1997") nuair a bhíonn achomhairc á gcinneadh aige. Mar sin féin, tá ceanglaíos reachtacha eile ann freisin a chuireann le castacht an phróisis achomhairc. Go háirithe, ní mór do ALAB aird a thabhairt ar oibleagáidí roinnt Treoracha AE lena n-áirítear iad siúd a bhaineann le Measúnacht Tionchair Timpeallachta, Gnáthóga, Éin, Rochtaín Phoiblí ar Phaisnéis Chomhshaoil agus eile. Tá castacht an phróisis chinntithe méadaithe ag baint lena áirithíú go gcloítear leis na hoibleagáidí reachtacha sin, agus leis an gcásdlí náisiúnta agus Eorpach a threoraíonn a gcur chun feidhme. Chuir sé síneadh freisin leis an meán-am a theastaíonn ó ALAB chun achomhairc a chinneadh. Sonraítear in Alt 56(2)(a) d'Acht 1997 gur chóir don Bhord iarracht a dhéanamh a chinntí go gcinnfear gach achomharc laistigh de thréimhse ceithre (4) mhí tar éis é a fháil (thart ar 122 lá). Tugann Alt 56(3) d'Acht 1997 teideal don Bhord an t-am le cinneadh a shíneadh mar gheall ar imthosca áirithe achomhairc.

Tháinig an méadú suntasach ar líon na n-achomharc a fuair ALAB le linn 2018, 2019 agus 2020 chun cinn mar thoradh ar thiomantas an Aire an riaráiste maidir le hiarratais ar cheadúnais dobharshaothraithe a ghlanadh faoi dheireadh 2019. Mar thoradh air sin, fuair an Bord caoga (50) achomharc in 2018, agus fuarthas ceithre cinn is tríocha (34) díobh ó Dheireadh Fómhair 2018. Fuarthas seasca a naoi achomharc (69) in 2019, agus fuarthas seasca a cúig (65) díobh sin ó dheireadh mhí Dheireadh Fómhair 2019. Fuarthas seacht n-achomharc is fiche (27) in 2020 agus fuarthas deich (10) in 2021.

Aithníonn an Bord an méadú ama chun achomhairc idir lámha a chinneadh, rud a tharla in ainneoin a n-iarractaí is fearr. Amhail deireadh 2021 bhí seasca a sé (66) achomharc idir lámha. Tá feabhas suntasach tagtha ar éifeachtúlacht chinntí an Bhoird mar gheall ar chomhairleoir teicniúil tiomnaithe a bheith ar fáil don Bhord ó Dheireadh Fómhair 2020. D'fhéadfadh comhairleoirí teicniúla tiomnaithe breise a bheith ag teastáil, áfach, mar gheall ar líon leanúnach na n-achomharc agus tá athbhreithniú á choinneáil ag an mBord air seo.

I ndeireadh na dála, tá ALAB ina chuid den phróiseas ceadúnaithe dobharshaothraithe níos leithne. Tugann an Bord dá aire go ndearna Tuarascáil an Ghrúpa Athbhreithnithe neamhspleách um Cheadún Dobharshaothraithe, Bealtaine 2017, roinnt moltaí a ceapadh chun cáilíocht agus soiléireacht na n-iarratas a fheabhsú agus chun próiseas tráthúil cinnteoirreachta a éascú. Tacaíonn an Bord le tuilleadh dul chun cinn i gcur i bhfeidhm an Athbhreithnithe, ar an mbonn gur comhartha de chóras ceadúnaithe sláintiúil é ceann a ghineann níos lú achomharc.

Ba mhaith liom an deis seo a thapú chun aitheantas a thabhairt don mhéid a rinne comhaltaí Boird ALAB, foireann ALAB agus gach soláthraí seirbhíse seachtrach le ALAB, a bhí lárnach maidir le cúnamh agus tacaíocht a thabhairt do ALAB chun a fhreagrachtaí reachtúla a chomhlíonadh le linn 2021. Mar eagraíocht, tá ALAB ag bainistiú go leor athruithe agus ag an am céanna ag iaraidh a fheidhmíocht mhaith a choinneáil agus a

chaomhnú. Chuir Rúnaí ALAB agus a foireann go mór leis, agus gabhaim buíochas leo go léir as a gcuid oibre crua, a dtacaíocht leanúnach agus a ngairmiúlacht le linn 2021.

Ba mhaith liom aitheantas ar leith a thabhairt do fhíorthiomantas chomhaltaí Bhord ALAB do luachanna an neamhspleáchais, na sláine, na gairmiúlachta agus na cothroime. Ba mhór an pléisiúr dom a bheith ag obair libh le linn 2021.

Ba mhaith liom buíochas a ghabháil freisin leis na hoifigigh ón Roinn Talmhaíochta, Bia agus Mara agus leis na Comhlachtaí Stáit eile go léir a mbíonn ALAB ag idirghníomhú leo as a dtacaíocht agus a gcúnamh i rith na bliana. Táim ag tnúth le leanúint ar aghaidh ag obair le foireann ALAB agus le Comhaltaí Boird agus muid ag leanúint ar aghaidh le hobair thábhachtach ALAB sna blianta amach romhainn

Ráiteas Rialachais agus Tuarascáil ó Chomhaltaí an Bhoird

Rialachas

Bunaíodh an Bord Achromhairc um Cheadúnais Dobharshaothraithe an 17 Meitheamh 1998 faoi Alt 22 den Acht lascaigh (Leasú), 1997. Is é feidhm an Bhoird údarás neamhspleách a chur ar fáil chun achomhairc a chinneadh in aghaidh chinntí an Aire Talmhaíochta, Bia agus Mara ar iarratais ar cheadúnais dobharshaothraithe.

Freagrachtaí an Bhoird

Tá feidhmeanna an Bhoird leagtha amach in Ailt 40 go 60 den Acht lascaigh (Leasú), 1997. Ar mhíreanna buanna a bhféachann an Bord orthu áiritear:

- Dearbhú leasanna
- Tuairiscí ó choistí
- Tuairiscí airgeadais/cuntas bainistíochta, agus
- Achromhairc idir lámha

Ceanglaítear le hAlt 37(1) den Acht lascaigh (Leasú), 1997 ar an mBord Achromhairc um Cheadúnais Dobharshaothraithe, a choinneáil i cibé foirm a cheadóidh an tAire Talmhaíochta, Bia agus Mara le toiliú an Aire Caiteachais Phoiblí agus Athchóirithe, gach cuntas ceart agus gnáth ar airgead a fhaigheann sé agus a chaitheann sé

Agus na ráitis sin á n-ullmhú ní mór don mBord:

- Beartais chuntasaíochta oiriúnacha a roghnú agus na beartais sin a chur i bhfeidhm go seasta,
- Breithiúnais agus meastachán a dhéanamh atá réasúnta agus stuama,
- A lua cibé acu ar ullmaíodh na ráitis airgeadais de réir na gcaighdeán cuntasáiochta is infheidhme,
- Na ráitis airgeadais a ullmhú ar bhunús an ghnóthais leantaigh.

Tá an Bord freagrach as taifid chuntasaíochta chuí a choimeád a léiríonn go réasúnta cruinn, am ar bith, staid airgeadais an Bhoird agus a chuireann ar a chumas a áirithíú go bhfuil na ráitis airgeadais ag teacht le hAlt 37 (1) den Acht lascaigh (Leasú) 1997. Tá an Bord freagrach freisin as sócmhainní an Bhoird a chosaint agus, dá thoradh sin, na bearta is gá a dhéanamh chun calaois agus mírialtachtaí eile a sheachaint agus a aimsiú.

Measann an Bord go dtugann ráitis airgeadais an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe léargas fíor cothrom ar fheidhmíocht airgeadais agus staid airgeadais an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe amhail an 31 Nollaig 2021.

Ráiteas Rialachais agus Tuarascáil ó Chomhaltaí an Bhoird ar lean

Tá coiste amháin curtha ar bun ag an mBord, mar seo a leanas:

Coiste Iniúchóireachta agus Riosca: Tá triúr comhaltaí Boird ar an gCoiste seo. Is é ról an Choiste Iniúchóireachta agus Riosca (CIR) tacú leis an mBord chun a chuid freagrachtaí maidir maoirseacht a dhéanamh ar shaincheisteanna a bhaineann le riosca, rialú agus rialachas. Tá an CIR neamhspleách ar bhainistiú airgeadais na heagraíochta. Go sonrach, áirithíonn an Coiste go bhfuil monatóireacht á déanamh go gníomhach agus go neamhspleách ar na córais rialaithe inmheánacha lena n-áirítear gníomhaíochtaí iniúchóireachta. Tuairiscíonn an CIR don mBord tar éis gach cruinnithe.

Is iad seo a leanas comhaltaí an Choiste Iniúchóireachta agus Riosca: an tUasal Michael Sweeney (Cathaoirleach), an tUasal John Evans agus an tUasal Bill Sweeney. Bhí 4 chruinniú ag an CIR in 2021.

Ráiteas um Chomhlíonadh

Ghlac an Bord leis an gCód Cleachtais um Rialú Comhlacthaí Stáit (2016) ("an Cód") agus bhunaigh cleachtais chun géilliúlacht don Chód a chinntiú. Chloígh an Bord Achromhairc um Cheadúnais Dobharshaothraithe go hiomlán leis na forálacha sin den Chód a bhaineann leis go hiomlán seachas na nithe seo a leanas:

- Ní bhaineann forálacha an Chóid maidir le ceapadh, líon, grádú agus coinníollacha na foirne uile, lena n-áirítear luach saothair agus aoisliúntas le ALAB toisc go bhfuil a foireann uile ar iasachta ón Roinn Talmhaíochta, Bia agus Mara ("DAFM").
- I bhfianaise méid agus scála an ALAB agus go bhfuil sé comhdhéanta go heisiach chun achomhairc a chinneadh de bhun an Acharta, tá an Bord den tuairim nach bhfuil pleán straitéiseach foirmiúil ag teastáil. Tá OPA comhaontaithe ag ALAB don tréimhse 2021 - 2023 agus tá sé seo á fhorgnáimhú ag an dá pháirtí faoi láthair. Tá nithe a d'fhéadfadh a bheith cuimsithe de ghnáth i bpleán straitéiseach ionchorpraithe sa chomhaontú seo.
- Níl Príomhoifigeach Riosca ag ALAB. I bhfianaise méid agus scála oibríocht ALAB tá an Bord den tuairim gur féidir riosca a bhainistiú idir an Rúnaí, an Coiste um Iniúchóireacht agus Riosca agus an Bord féin.
- Tá conradh ag ALAB le hiniúchóir inmheánach chun an fheidhm seo a chur i gcrích. Téann an Bord i ngleic le saineolas seachtrach go tréimhsíúil nuair is cuí agus go háirithe chun athbhreithniú bliantúil a dhéanamh ar rialuithe inmheánacha.
- Níl Pleán foirmiúil um Nós Imeachta Corparáideach ag ALAB. I bhfianaise méid agus scála ALAB tá an Bord tagtha ar an tuairim nach bhfuil gá le pleán den sórt sin.
- Níl Cairt Chustuméirí ag ALAB. I bhfianaise nádúr ALAB, tá an Bord tagtha ar an tuairim nach bhfuil a leithéid de Chairt oriúnach.

An Réimse Freagrachta

Thar ceann an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe, admhaímid ár bhfreagracht as a chinntíú go ndéantar córas éifeachtach um Rialú Inmheánach Airgeadais a chothabháil agus a oibriú san eagraíocht. Clúdaíonn an fhreagracht úd na riachtanais atá sa Chód Chleachtais um Rialú Comhlachtaí Stáit (2016).

Feidhm an Chóras um Rialú Inmheánach

Leagadh amach an córas um rialú inmheánach chun riosca a bhainistiú ag leibhéal measartha seachas fáil réidh leis. Níl an córas in ann ach deimhníú réasúnta, agus ní daingean a thabhairt go gcosnaítear sócmhainní, go gceadaítear is do dtaifeadtar gnóthais mar is cóir agus go gcoiscítear nó go dtagtar ar earráidí ábhartha nó neamhrialta in am tráth.

Tá an córas um rialú inmheánach, atá ag teacht le treoir ón Roinn Caiteachais Phoiblí agus Athchóirithe, i bhfeidhm sa Bhord Achromhairc um Cheadúnais Dobharshaothraithe don bhliain dar críoch an 31 Nollaig 2021 agus chomh fada le dáta ceadaithe na ráiteas airgeadais.

Cumas Riosca a láimhseáil

Tá Coiste um Iniúchóireacht agus Riosca (ARC) ar a bhfuil triúr comhaltaí Boird ag an mBord Achromhairc um Cheadúnais Dobharshaothraithe. Tháinig an ARC le chéile 4 huaire in 2021.

Creat Riosca agus Rialaithe

Tá córas bainistiú riosca i bhfeidhm ag an mBord Achromhairc um Cheadúnais Dobharshaothraithe a aithníonn agus a thuairiscíonn rioscaí lárnacha chomh maith leis na gnímh bhainistíochta a phléann agus a mhaolaíonn, chomh fada agus is féidir, na rioscaí céanna.

Tá clár riosca againn a aithníonn na rioscaí lárnacha roimh an mBord Achromhairc um Cheadúnais Dobharshaothraithe agus táid siúd aitheanta, measta agus grádaithe de réir a dtábhachta. Déanann an CIR athbhreithniú agus nuashonrú ar an gclár ar bhonn ráithiúil. Baintear leas as na tortaí chun acmhainní a phleanáil agus a dháileadh ionas gur féidir rioscaí a smachtú ag leibhéal sásúil.

Sa chlár riosca léirítear an smacht agus na gnímh atá riachtanach chun baol rioscaí a mhaolú maraon le freagracht baill áirithe foirne as rialú a chur i bhfeidhm. Deimhnímid go bhfuil timpeallacht rialaithe i bhfeidhm a chuimsíonn na gnéithe seo a leanas:

- Tá nósanna imeachta maidir le gach príomhphróiseas gnó doiciméadaithe,
- Sannadh freagrachtaí airgeadais ag leibhéal bainistíochta le cuntasacht chomhfhreagrach,
- Tá córas cuí buiséid trína mbeidh buiséad bliantúil ann agus é sin á athbhreithniú ag bainistíocht shinsearach, agus ag an Bord,
- Tá córais ann a dhíríonn ar shlándáil na gcóras teicneolaíochta eolais agus cumarsáide, agus
- Tá córais i bhfeidhm chun na sócmhainní a chosaint.

Bunaíodh cleachtais fhoirmiúla don mhonatóireacht ar próisis rialaithe agus cuirtear easpaí sa rialú in iúl dóibh siúd atá freagrach as gníomh ceartaitheach a dhéanamh agus don Bhord, go tráthúil nuair is cuí. Deimhnímid go bhfuil na córais leanúnach monatóireachta seo i bhfeidhm:

- Aithníodh rioscaí móra maraon le rialú dá réir is bunaíodh próisis mhonatóireachta ar na rialuithe lárnacha chun aon easpa aitheanta a thuairisciú.
- Bunaíodh socruithe don tuairisciú ag gach leibhéal mar a ndáileadh freagracht as bainistiú airgeadais, agus

Soláthar

Is féidir linn a dheimhniú go bhfuil nósanna imeachta i bhfeidhm ag an mBord Achromhairc um Cheadúnais Dobharshaothraithe chun a chinntí go gcomhlíontar na rialacha agus na treoirlínte reatha maidir le soláthar agus gur chomhlíon an Bord Achromhairc um Cheadúnais Dobharshaothraithe na nósanna imeachta sin le linn 2021.

Athbhreithniú ar Éifeachtacht

Dearbhaímid go bhfuil nósanna imeachta i bhfeidhm ag an mBord Achromhairc um Cheadúnais Dobharshaothraithe chun monatóireacht a dhéanamh ar éifeachtacht a nósanna imeachta bainistíochta riosca agus rialaithe. Tá monatóireacht agus athbhreithniú an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe ar éifeachtacht an chórais rialaithe airgeadais inmheánaigh bunaithe ar obair na n-iniúchóirí inmheánacha agus seachtracha a fhaightear ó fhoinsí seachtracha, an Choiste um Iniúchóireacht agus Riosca a dhéanann maoirsíú ar a gcuid oibre, agus an Bord Achromhairc um Cheadúnais Dobharshaothraithe atá freagrach as forbairt agus cothabháil an chreata inmheánaigh um rialú airgeadais.

Tuarascáil le cur faoi bhráid Thithe an Oireachtas An Bord Achromhairc um Cheadúnais Dobharshaothraithe Tuairim faoi na ráitis airgeadais

Tá iniúchadh déanta agam ar ráitis airgeadais an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe don bhliain dar críoch an 31 Nollaig 2021 faoi mar a cheanglaítear faoi fhórálacha alt 37 den Acht lascaigh (Leasú), 1997. Cuimsítear sna ráitis airgeadais

- an ráiteas ar ioncam agus caiteachas agus cúlchistí ioncaim coimeádta
- an ráiteas ar an staid airgeadais
- an ráiteas ar shreafaí airgid, agus
- na nótaí gaolmhara, achoimre ina measc ar bheartais shuntasacha chuntasaíochta.

I mo thuairim, tugtar sna ráitis airgeadais léiriú fior agus cothrom ar shócmhainní, dliteanais agus staid airgeadais an Bhoird Achromhairc um Cheadúnais Dobharshaothraithe an 31 Nollaig 2021 agus ar a ioncam agus caiteachas don bhliain 2021 i gcomhréir le Caighdeán um Thuairisciú Airgeadais (FRS) 102 – *an Caighdeán um Thuairisciú Airgeadais atá infheidhme sa Ríocht Aontaithe agus i bPoblacht na hÉireann*.

Bunús na tuairime

Thug mé faoi m'iniúchadh ar na ráitis airgeadais i gcomhréir leis na Caighdeáin Idirnáisiúnta um Iniuchoireacht (Cllanna) faoi mar a d'fhógair an Eagraíocht Idirnáisiúnta Uasfhoras Iniuchoireachta. Déantar cur síos ar m'fhreagrachtaí faoi na caighdeáin siúd san agusín leis an tuarascáil seo. Tá mé neamhspleách ón mBord Achromhairc um Cheadúnais Dobharshaothraithe agus shásáigh mé m'fhreagrachtaí eile i gcomhréir leis na caighdeáin.

Creidim gur leor agus gur cuí an fhianaise iniúchóireachta a fuair mé chun bunús a sholáthar do mo thuairim.

Tuairisciú ar fhaisnéis eile seachas na ráitis airgeadais, agus ar cheisteanna eile

Chuir an Bord Achromhairc um Cheadúnais Dobharshaothraithe faisnéis áirithe eile i láthair, sa mhullach ar na ráitis airgeadais. Cuimsítear ann seo an ráiteas rialachais agus tuarascáil chomhaltaí an Bhoird agus an ráiteas ar rialú inmheánach. Déantar cur síos ar m'fhreagrachtaí chun tuairisciú a dhéanamh maidir leis an bhfaisnéis siúd, agus ar cheisteanna áirithe eile ar a dtuairiscim mar eisceacht, san agusín leis an tuarascáil seo.

Níl aon rud le tabhairt le fios agam ina leith sin.

Freagrachtaí Comhaltaí Boird

Faoi mar a shonraítear sa ráiteas rialachais agus i dtuarascáil chomhaltaí an Bhoird, tá ná comhaltaí Boird freagach as.

- ullmhú na ráiteas airgeadais bliantúil san fhoirm a fhordóraítear faoi Alt 37 den Acht lascaigh (Leasú), 1997
- a chinntí go dtugtar sna ráitis airgeadais léiriú fíor agus cóir i gcomhréir le FRS102
- rialtacht na n-idirbheart a chinntí
- measúnú a dhéanamh ar cé acu an bhfuil nó nach bhfuil úsáid an ghnóthais leantaigh chuntasaíochta cuí, agus
- an rialú inmheánach sin a dheimhníonn siad is gá lena chumasú ráitis airgeadais a ullmhú atá saor ó mhíshonrú ábhartha, cé acu más calaois nó earráid is cùis leis.

Freagrachtaí an Ard-Reachtaire Cuntas agus Ciste

Ceanglaítear orm faoi alt 37 den Acht lascaigh (Leasú), 1997 chun iniúchadh a dhéanamh ar ráitis airgeadais an Bhoird Achromhirc um Cheadúnais Dobharshaothraithe chun tuairisciú a dhéanamh orthu le Tithe an Oireachtas.

Is é mo chuspóir agus mé ag tabhairt faoin iniúchadh dearbhú réasúnta a fháil faoi cé acu an bhfuil nó nach bhfuil na ráitis airgeadais, ina n-iomláine, saor ó mhíshonrú ábhartha, cé acu más calaois nó earráid is cùis leis. Is ionann dearbhú réasúnta agus ardleibhéal de dhearbhú, ach ní hionann é agus ráthaíocht go mbraitheoidh iniúchadh faoina dtugtar i gcomhréir leis na Cillanna i gcónaí míshonrú ábhartha nuair is ann dó. Féadfaidh míshonruithe eascairt ó chalaois nó earráid agus meastar go bhfuil siad ábhartha más féidir súil réasúnta a bheith leis go n-imreoidh siad tionchar ar chinntí geilleagracha úsáideoirí a rinneadh ar bhunús na ráiteas airgeadais seo.

Mar chuid d'iniúchadh i gcomhréir leis na Cillanna, déanaim breithiúnas gairmiúil agus leanann amhras gairmiúil a bheith orm i gcaitheamh an iniúchta. Agus amhlaidh á dhéanamh agam,

- Sainaithním agus measúnaím na rioscái i leith mhíshonrú ábhartha na ráiteas airgeadais, cé acu más calaois nó earráid is cùis leis, dearaim agus tugaim faoi nósanna imeachta iniúchta a fhreagraíonn ar na rioscái siúd, agus faighim fianaise iniúchta ar leor agus ar cuí í le bunús a sholáthar do mo thuairim. D'fhéadfadh claochpháirteachas, brionnú, easnaimh d'aon turas, míléiriú, nó gabháil i dtreis ar rialú inmheánach baint leis an riosca a chruthaítear nuair nach mbraithear míshonrú ábhartha a eascraíonn as calaois.
- Déanaim meastóireacht ar oiriúnacht na mbeartas cuntasaíochta a úsáidtear agus réasúntacht na meastachán cuntasaíochta agus an nochta ghaolmhair.

- Bainim tátal as oiriúnacht na húsáide a bhaintear an bonn gnóthais leantaigh na cuntasaíochta agus, bunaithe ar an bhfianaise iniúchta a fuarthas, cé acu arb ann nó nach ann d'éiginnteacht ábhartha a bhainneann le himeachtaí nó coinníollacha a d'fhéadfadh cumas an Bhoird Achromhirc um Cheadúnais Dobharshaothraithe a chur faoi amhras suntasach chun leanúint mar ghnóthas leantach. Má bhainim an tátal as gurb ann d'éiginnteacht ábhartha, ceanglaítear orm aird a thabhairt i mo thuarascáil ar an nochtadh gaolmhar sna ráitis airgeadais nó, mura cuí an nochtadh sin, ceanglaítear orm mo thuairim a bhunathrú. Tá mo chonclúidí bunaithe ar an bhfianaise iniúchta a fuarthas a fhad le dáta mo thuarascála. D'fhéadfadh go mbeadhimeachtaí nó coinníollacha amach anseo mar chús leis, áfach, go gcuirfidh an Bord Achromhirc um Cheadúnais Dobharshaothraithe deireadh le leanúint mar ghnóthas leantach.
- Déanaim meastóireacht ar chur i láthair, struchtúr agus ábhar foriomlán na ráiteas airgeadais, an nochtadh san áireamh, agus cé acu an léiritear nó nach léiritear sna ráitis airgeadais na bunidirbhearta agusimeachtaí ar bhealach a bhainneann cur i láthair cothrom amach.

Déanaim cumarsáid leo siúd atá freagach as rialachas i ndáil le, i measc ceisteanna eile, scóip agus uainiú pleináilte an iniúchta agus torthaí suntasacha iniúchta, aon easnaimh i rialú inmheánach ina measc a shainainiúmid i rith m'iniúchta.

Tuairiscim, trí eisceacht, chomh maith, sna cásanna seo a leanas:

- Ní bhfuair mé, i mo thuairim, an fhaisnéis agus na mínithe go léir a theastaigh uaim chun m'iniúchadh a dhéanamh, nó
- I mo thuairim, níor leor na taifid chuntasaíochta lena ligean dom na ráitis airgeadais a léamh gan stró agus a iniúchadh i gceart, nó
- Níl na ráitis airgeadais, i mo thuairim, i gcomhréir leis na taifid chuntasaíochta.

Faisnéis eile seachas na ráitis airgeadais

Ní chumhdaíonn mo thuairim faoi na ráitis airgeadais an fhaisnéis eile a chuirtear i láthair sna ráitis siúd agus ní léirim aon fhoirm de chonclúid dearbhaithe faoi.

I dtaoibh m'iniúchta ar na ráitis airgeadais, ceanglaítear orm faoi na Cillanna chun an fhaisnéis eile a chuirtear i láthair a léamh agus, nuair atá amhlaidh á dhéanamh, breithniú a dhéanamh ar cé acu an bhfuil nó nach bhfuil an fhaisnéis eile neamh-chomhsheasmhach go hábhartha leis na ráitis airgeadais nó an t-eolas a fuair mé san iniúchadh, nó más dealraitheach, ar bhealach eile, go ndearnadh an fhaisnéis eile a mhíshonrú go hábhartha. Má bhainim an tátal as, bunaithe ar an obair a rinne mé, go ndearnadh an fhaisnéis eile seo a mhíshonrú go hábhartha, tá orm sin a thabhairt le fios.

Tuairisciú ar cheisteanna eile

Tugaim faoi m'iniúchadh trí thagairt a dhéanamh do bheithniúchán speisialta a bhainneann le comhlachtaí Stáit maidir lena mbainistiú agus lena n-oibriú. Tuairiscim má shainainiúmid ceisteanna ábhartha lena mbaineann an bealach a tugadh faoi ghnó poiblí.

Lorgaím fianaise a fháil faoi rialtacht na n-idirbheart airgeadais i gcúrsa an iniúchta. Tuairiscim más shainainiúmid aon chás ábhartha nár caiteadh airgead poiblí chun a gcríoch beartaíthe nó sa chás nach raibh na hidirbhearta i gcomhréir leis na húdaráis a bhí á rialú.
