**AQUACULTURE LICENCES
APPEALS BOARD**

27 OCT 2021

RECEIVED

(as allocated by the Department of Agriculture, Food and the Marine)

Appellant's particular interest in the outcome of the appeal:

I and previous generations have fished the area in question for well over a century. I am currently fishing this area in my licensed fishingboat SAOIRSE T470.

Outline the grounds of appeal (and, if necessary, on additional page(s) give full grounds of the appeal and the reasons, considerations and arguments on which they are based):

I have fished this area, and intend to continue fishing in the area in the future. I fish this area with static nets, potting for Lobster, Crab (Brown, spider and velvet) and Craw fish. The area in question contains the only scallop beds in our region. The area in question provides the only shelter from storms and sea swell. There has been no consultation with me or other fishermen in the area about this.

Signed by appellant:

Hieron Moran Date: 22/10/2021
