Dear Mr Gillespie

I refer to your appeal on behalf of Carrickfinn Trust Company Ltd., which was received in this office on 16 January 2017.

Section 56(2)(a) of the Fisheries (Amendment) Act 1997 requires that the Board endeavour to determine an Appeal within a period of four months beginning on the date of receipt by the Board of the Notice of Appeal. The Aquaculture Licences Appeals Board reviewed this timescale at its meeting on 7 March last and has formed the view it will not be in position to determine this Appeal by that date, due to the complexity of the matters which require to be determined as part of the Appeal.

Accordingly the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that this Appeal will not be determined by 31 May 2017 for the reasons specified above. It is the intention of the Board that the Appeal will be determined by 31st December 2017.

The Board has not yet determined whether to accede to the requests for an oral hearing. I shall be in touch with you further once the Board has determined whether or not an oral hearing is required.

This notice is being copied to all parties to the Appeal.

Yours sincerely
