using bags and trestles in Braade Strand, Gweedore Bay**

Dear Mr Mac Ruairi,

I refer to my letter 20 December 2017 in which the Board indicated it anticipated this Appeal would be determined by 31 May 2018.

Pursuant to Section 56(2)(a) the Board endeavours to determine an appeal within a period of 4 months. Section 56(3) provides for the Board to specify the date before which, the Board intends that the appeal shall be determined. In that context the Board reviewed the timescale for determination of this appeal at its meeting of 1 May 2018 and has formed the view it will not be in position to determine this Appeal by 31 May 2018, due to the complexities of the appeals.

Accordingly the Board hereby gives notice, as provided for in Section 56(3) of the Fisheries (Amendment) Act 1997, that this Appeal will not be determined by 31 May 2018 for the reason specified above. It is the intention of the Board that the Appeal will be determined by 31 December 2018.

The Board has not yet determined whether to accede to the requests for an oral hearing. I shall be in touch with you further once the Board has determined whether or not an oral hearing is required.

This notice is being copied to all parties to the Appeal.

Yours sincerely

Mary O'Hara
