Appellant's particular interest in the outcome of the appeal:

~~I own the ground outside this application for mussels. I have applied to~~

I have applied for this site as an extension to my other sites where it interferes with no other site. I would use it for big oysters as it is near the shore

Outline the grounds of appeal (and, if necessary, on additional page(s) give full grounds of the appeal and the reasons, considerations and arguments on which they are based):

It will not interfere with the environment
It is of no use to other oyster growers as it is enclosed by my site,

Gerard O'Reilly
