Aquaculture Licenses Appeals,

Kilminchy Court,

Dublin Road,

Portlaoise

Co. Laoise

REF Number: T06/472A

Outline ground for appeal:

- The location of the proposed site is on a sandbank away from the mudflats, therefore to give shorebirds a natural habitat and will not impact on bird population.
- If licenses are granted it would have a positive effect on the local economy.
- I would minimize the density of license application to avoid further risk being posed to the seston depletion, thus this would not interfere with the capacity of the harbour.
- Oysters are filter feeder which results in cleaner water.
- Site is located away from Navigational Channels.
- Site is located East of the Castlemaine Harbour and is not located near any recreational area.

Please take note of all my grounds for appeal, I await a reply.

Kind regards,

Nigel Sheehan
