Dear Ms. Fitzpatrick,

In response to your letter of 9th October last I am writing to you to confirm the following.

Approximately half (western) of the area dries completely and the other half (eastern) area is at a sufficient depth (0.1m – 0.3m) to allow access by tractor for a bag and trestle development.

If you have any further queries please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Killian Tighe".

Killian Tighe.
